

### REMARKS

In the specification, the paragraphs of the "SUMMARY OF THE INVENTION" are amended to be consistent with the detailed description. Claims 1-30 are present in the application. Claims 1-8, 17, 19, 20, 24, 26 and 27 are amended to be consistent with the detailed description. No new matter is added.

The commissioner is hereby authorized to charge any fees which may be required for this preliminary amendment, or credit any overpayment to Leviton Manufacturing Co., Inc. Deposit Account No. 12-1185.

In the event that an extension of time is required to make this Preliminary amendment timely filed, the Commissioner is requested to grant a petition for that extension of time which is required to make this response timely and is hereby authorized to charge any fee for such an extension of time or credit any overpayment for the extension of time to deposit Account No. 12-1185.

Respectfully submitted,

Paul J. Sutton
